Microsoft UWP design toolkit for Adobe XD

Toolkit version

1901, updated January 2019

Versioning notes

- 1901
    - This version only includes the light theme. The dark theme will come later.
    - Added new controls
        - Accent Button
        - Split Button
        - Drop Down Button
        - Grid View
        - Flip View
        - Tree View
        - Data Grid
        - Navigation View Horizontal
        - Progress Ring
        - Person Picture
        - App Window
    - Updated other controls to match the current OS implementation.
    - Acrylic represented here is an approximation of the actual recipe found on https://docs.microsoft.com/windows/uwp/design/style/acrylic.
- 1806
    - Icons now use the Segoe MDL2 font.
    - Multiple updates to controls to match current implementation.
    - Acrylic represented here is an approximation of the actual recipe found on https://docs.microsoft.com/en-us/windows/uwp/design/style/acrylic due to XD not having blending modes and adjustment controls.
- 1803
    - Added in-app Acrylic
    - Updated Windows Task Bar
    - Added TreeView
    - Added Swipe
- 1711: Corrected an extension issue that was causing problems on Windows 10 PCs.
- 1710: Fixed issues with Segoe UI on Apple OS.

Requirements

The Microsoft Universal Windows Platform (UWP) design toolkit requires the following software to be installed:

- Adobe XD
- Segoe MDL2
  Download: https://aka.ms/SegoeFonts
